## **PART – B**

### **1. Activities reflecting the goals and objectives of the Institution:**

Scott Christian College, Nagercoil was established in 1893 by the London Missionary Society in South Travancore. The college is a premier institution with rich legacy in terms of facilities, equipment, staff and achievements. For decades, the college has served as the focal point in all-round development of students of Kanniyakumari region. The college offers B.A., B.Sc., B.Com, B.C.A., B.B.M, and part-time courses in Hindi to the students irrespective of castes, communities, class, religion and place of birth. The college provides Mid-day meals to the needy students. The management has taken lot of efforts to support and encourage sports and extra-curricular activities like Music, NCC, NSS, Youth Red Cross etc. The college has also organized remedial courses to the slow learners. The college is providing a number of scholarships and free ships to the meritorious students.

#### **5. Examination reforms implemented:**

From the November 2011 Semester Examination onwards, students are permitted to appear for any arrear paper irrespective of the odd or even semester so as to help them clear the burden of arrears. This system also takes care of those who want to improve their academic performance, with subsequent appearances.

The College Academic Council has also decided to enhance the percentage of internal assessment from the existing 25% to 40%, thereby reaffirming the quality of the evaluation system.

The system of revaluation is being maintained at all levels and thus the system is more transparent. The students are issued a recording system which displays all their achievements in a Consolidated Marksheet - including the grades for each course in the six semesters, the non-academic credits, the additional credit of the placement experience and the final CGPA.

### Ongoing Projects

#### Indo-Canadian Project:

McMaster and Scott have successfully embarked on a collaboration which had been initially funded through the Indo-Canadian Shastri Institute. This successful venture has led the parties to apply for additional funding from the institute through the Millennium Development Grant (MDG) and this application has been successful. The MDG is focused on research which directly contributes to one or more of the ten UN millennium goals. The McMaster – Scott project focuses on improving health, protecting the environment, providing employment opportunities for both sexes, and alleviating poverty by providing education in the Nagercoil area. It will also enhance the learning and the educational processes on campus and guarantee international exposure to both staff and students.

- \*A minimum eligibility criterion is prescribed for each course and the same is published in the Prospectus each year.
- \*A Bridge course is offered at departmental level by the Department of English.

- \*The teaching workload is as per UGC norms.
- \*The extra time available is utilized for research work and administrative work assigned to them.
- \*The CBS provides for flexibility and continuous evaluation in learning process
- \*Several faculty members are acting as reviewers/guest editors for international journals and members of editorial boards of national and international journals.
- \*Research is an area of strength in the college.

**40. Linkages developed with National/ International Academic / Research bodies:**

McMaster and Scott have successfully embarked on a collaboration which had been initially funded through the Indo-Canadian Shastri Institute. This successful venture has led the parties to apply for additional funding from the institute through the Millennium Development Grant (MDG) and this application has been successful. The MDG is focused on research which directly contributes to one or more of the ten UN millennium goals. The McMaster – Scott project focuses on improving health, protecting the environment, providing employment opportunities for both sexes, and alleviating poverty by providing education in the Nagercoil area. It will also enhance the learning and the educational processes on campus and guarantee international exposure to both staff and students.
