Sir,

Sub: Exit Summary on the Conduct of AAA on 18th Oct 2019 – Regarding

Warm Greetings!

First of all, I feel happy to be the part of the AAA programme that was conducted on 18th Oct 2019. I hereby submit a report as “Exit Summary” which will be useful to the college in improving the quality.

1. Though the academic process is effective the documentation needs improvements in the areas viz. Activity based Learning, Identification of Slow, Medium and Advanced Learners, Outcome Mapping, Students Participation in Committees, etc.
2. The programme objectives needs improvement in some of the departments like Mathematics and History. Therefore it may be ensured that the programme objectives may be specific, measurable, attainable, relevant and time bound.
3. It may be ensured that all the meetings must be minuted and the signatures of the members may be obtained in the minutes itself.
4. A faculty development training may be conducted in the areas of activity based learning, NAAC criterions, Research Quality Parameters, etc.
5. Policies, Processes, Procedures , Duties and Responsibilities, Organisation Chart, etc may be compiled as a single document and a softcopy may be made available in the college website.
6. More number of MoUs, placement and Extension activities may be conducted in the days to come.
7. Quality initiatives and its effectiveness may be documented and displayed on the walls.

Yours faithfully,

Dr.V.Balamurugan

Respected Sir,

Greetings from Dr. A. Lourdasamy, IQAC Director & Associate Professor of Mathematics, St. Xavier's College (Autonomous), Palayamkottai.

I am happy to be part of the Expert Team to conduct Academic and Administrative Audit on October 18, 2019. As an academician and a well-wisher of the College, I am very much pleased to offer my suggestions and feedback about Scott Christian College, Nagercoil – 629 003.

Since 1809, Scott Christian College, Nagercoil – 629 003, has been striving hard to promote holistic education and overall development of the underprivileged young men and women and to empower them to be eminent entrepreneurs and educationists. Apart from that, the students are also trained well to have social responsibility through extension programmes. So Scott Christian College is able to blend academic training with the noble task of making the students realize their social concern.

Autonomy has helped your institution to remodel the syllabus periodically and inculcate the knowledge and skills among the students in recent developments and academic innovations.

All Departments are doing commendable work in raising the standard of education in the College. The Internal Quality Assurance Cell(IQAC) is very active and undertakes a slew of quality sustenance and quality enhancement activities. All clubs actively participate in co-curricular and extracurricular activities.

I am really proud to mention the keen interest of the institution in research activities. I wish and pray that the institution produces more researchers to take the fruit of the research to the society.

I offer my prayerful wishes for the growth of the institution. I wish that Scott Christian College reaches newer heights in all its endeavors.

Yours Sincerely,

(Dr.A. Lourdasamy)
