Affiliated to Bharathiar University, Coimbatore -641407.

will deliver the Endowment Lecture
on

Current Trends and Innovations in IT

Organising Committee

PROGRAMME

Session I	: 09.30 a.m. Registration
Invocation	: Tamil Thai Valthu
Welcome Address	: Dr. S. Gnana Sophia (Head, Dept. of Computer Application Scott Christian College [Autonomous])
Presidential Address	: Dr. J.G. Duresh
Introducing and Inaugurating the Endowment	: D. Henry Raja
Endowment Lecture	: Dr. A. Pravin
Topic	: Current Trends and Innovations in IT
Interaction	: Participants
Vote of Thanks	: Mrs. R. Suguna Jasmin (Assistant Professor of Computer Application Scott Christian college [Autonomous])
Lunch Break	: 12.30 p.m
Session II	: 01.30 p.m
Quiz Contest	
Valediction & Prize Distribution	: 03.00 p.m
National Anthem	

Prof. Aby Regieson Sylum

Prof. Aby Regieson Sylum, born into a family of teachers, proved himself a teacher par excellence. Completing his early education at Scott Christian Higher Secondary School, he went on to pursue his higher education in Physics from Scott Christian College, as he had a keen interest in Physics from his early age. During both his bachelor's and master's degrees his dedication, commitment, hard work, and natural talent in Physics earned him recognition among his professors and peers.

He continued his passion for Physics by embarking on a teaching career in the field. However, driven by his curiosity and desire to explore new horizons, he made a transition from Physics to Computer Science, and retired as Associate Professor of Computer Science, Nesamony Memorial Christian College, Marthandam. Graduating from a different background was never a barrier for him and he made a mark by publishing books related to Computer Science. His book titled *MS Office* (2009) was very popular among the school and college students with thousands of copies being sold in a very short span of time.

A disciplined teacher, he was also a man who cared for great moral values, and he strove for perfection in all aspects. His efforts in organizing a virtual reunion of the Scottians, of the 1985 batch Physics students at Scott Christian College, during the Covid lockdown, was a trend setter. The seeds that Prof. Regieson has planted, rooted in compassion, integrity, and a commitment to positive change, are poised to bear fruit in the future.

This Endowment lecture is sponsored by Prof. Aby Regieson Sylum's wife Dr.R.Ragel Mabel Saroja Rtd., Head, Dept. of Chemistry & Research Centre, Scott Christian College (Autonomous).
