The meeting of the Research Advisory Committee held on March 20, 2024 at 10.30 am in the Conference Hall. The following were the decisions taken

1. Regulations and Policies

As the Regulations and policies establish standards to ensure the quality of research it was resolved to modify and upload the regulations and policies of Research, details of seed money, research budget in the College Website.

2. Plagiarism Checker Software

A request has been submitted for the Plagiarism Checker Software and waiting for the approval as it is used to cross-check text for duplicated content, and to scan scholar and student papers in a few minutes, matching what they have submitted to already published work. The plagiarism checker is the need of the hour so it was decided to get the approval soon.

3. Research Guidelines

The guidelines for the research and researchers are necessary to validate the result of research findings so it was resolved to upload the guidelines for research in the college website.

4. Publications

As the publication of papers in referred and indexed journal is mandatory for researchers, the committee decided to make collaboration with the indexed journal publishers and help the scholars to publish papers.

5. Seminars and Conferences

Some of the titles are only accepted by NAAC and for that purpose, it was decided to instruct department to organise seminars and conferences on the title specified by NAAC
